

# Osprey Coloring Book

## Instructions:

- Identify differences in the Osprey's **forehead** and **chest** area.
- Identify differences in the Osprey's **eyes**.
- Color in the black and white photos of the Osprey's to reflect the unique markings on each bird.
- Use the original photos for reference.

**Teacher's to save on color ink, print pages 7-9 and show this PDF file on a projector or computer screen for students to use as a reference.**
